FROM THE CEO'S DESK

Sanghamitra Bose
Founder & CEO

Dear Friends,

It has been a long journey of 22 years, of some successes and challenges which sometimes seemed to overpower. But no one said it would be an easy journey! The resolve to bring about a change continues to drive team Sshrishti forward.

Our program in Uttarakhand has increased its reach by starting a program in Dist. Rudraprayag, in six villages in the Agastyamuni block near the confluence of the mighty rivers Mandaki and Bhagirathi, Sshrishti implemented digital literacy program in four government schools at Rudraprayag. This was a big boom for the students of these schools which suffered from ramshackle computer labs with no functional systems or teachers. Sshrishti's team repaired the computer labs, installed desktops and appointed a teacher to guide the students with a structured curriculum. Carrying forward the school improvement program, Sshrishti's team carried out several infrastructural development in the selected schools. We thank ReNew Power for supporting this initiative.

Our programs in Nainital and Almora districts of Uttarakhand continued to grow in strength bring hope to the youth with digital skills for employability. Many have got suitable employment and some have gone on to become entrepreneurs. We thank KPMG for supporting the project for over a decade.

But at the end of the day, It's in the smiles of children and sparkles in the eyes of the youth and women we work for gives us the motivation to take forward our mission to Educate, Empower and Equalise.

“ Every child deserves the opportunity to learn, dream and build a better future. Together, we continue to make that possible. ”

A handwritten signature in blue ink, appearing to read 'S Bose', with a long, sweeping underline.

The Community Resource Network (CRN) project by Sshrishti Trust, in partnership with KPMG, addresses the digital divide in rural Uttarakhand by offering computer literacy and employable skills to children and youth. Through three Digital Literacy and Skill Training Centres and collaboration with eighteen government schools, CRN provides structured courses in basic and advanced computer skills. Since 2013, over 22,000 beneficiaries have been impacted, including 3500+ students reached in Nainital and Almora districts in early 2025-26.

103 students have been successfully placed in various companies through placement drives and continuous placement support initiatives.

Digital Literacy Programs

Uttarakhand | Kumaon & Garhwal

Our Digital Literacy Program equips children and communities in Kumaon and Garhwal with essential digital skills for today's connected world. Through hands-on learning and technology-enabled education, learners develop confidence in using computers, digital tools, and online resources.

The program helps bridge the digital divide by creating access to technology and enabling learners to explore educational resources, communicate digitally, and access new opportunities. By building these foundational skills, we aim to make technology a tool for learning, growth, and greater opportunities.

Foundational Literacy & Numeracy (FLN)

Since 2003 Sshrishti has been focussed on equipping the children of low income colonies of Delhi, especially the children of migrant workers with quality FLN to create a solid foundation for their educational journey. The curriculum is upgraded each year and it follows the broad guidelines of NEP 2020.

The Diksha app of NCERT has been incorporated in the curriculum to give the student an opportunity to use interactive online learning.

The students who join our centres in Nursery are mainstreamed into government or private schools after completing class V at our Sshrishti learning Centre.

Education Through Technology

Sshrishti Trust uses technology to make learning interactive, engaging, and future-ready. Through digital resources, multimedia tools, and technology-enabled activities, students build stronger concepts while developing essential digital skills and confidence.

Delhi Programs Details

Sshrishti Learning Centre (SLC) Kishangarh | Delhi | Nursery–Class V

SLC is Sshrishti's flagship learning centre, providing quality education from early childhood to primary school. Through activity-based learning, digital education, and experiential teaching, the centre builds strong academic foundations while nurturing creativity, confidence, and life skills.

Schools & community Infrastructure Development Program

Agastyamuni, Rudraparyag

In 2025–26, Sshrishti Trust, in partnership with ReNew, launched a comprehensive community development initiative in Rudraprayag, Uttarakhand, aimed at improving rural infrastructure and educational opportunities. The project covered 21 locations, including the installation of 110 solar street lights, construction of essential community infrastructure such as pathways, classrooms, stages, water tanks, washrooms, and mid-day meal sheds, the establishment of 2 digital computer labs, and the provision of school furniture. These interventions have collectively impacted 18,882 lives, enhancing public safety, strengthening school infrastructure, and creating better learning environments for children and communities.

Our Governance

Sshrishti has a robust governance framework with three trustees and five members in the advisory board.

The meetings are held quarterly and all relevant issues discussed. This year we added two new board members to bring new dynamism too the board.

We welcome Kamal Gaur and Sheetal Pratik as the new board members.

M. Ramakrishnan who had earlier been a advisory board member has taken on the responsibility of a trustee.

Impact Story

Neeraj Nayal

Neeraj Nayal is a testament to the power of quiet resolve. Hailing from Mukteshwar, he understood early on that passion alone wouldn't secure his place in the Indian Army, it required a strategic academic approach. In Sshrishti's remedial classes, Neeraj was defined by his razor-sharp focus. He treated his education as seriously as his physical training, meticulously working through his weak subjects without complaint. He didn't just want to pass, he wanted to excel.

His solitary dedication bore fruit in 2025 when he was selected as an Agniveer. Neeraj's success is a powerful reminder that when a student commits fully to their goal, no hurdle is too high to clear.

Aviskar Thapa

After completing Class 5, he continued his education with dedication, confidence, and hard work. His performance in Class 6 was particularly commendable. Although he could not appear for the Unit Test 1 (UT-1) examination, he secured an impressive 2nd position in his class, demonstrating his strong academic foundation and determination to succeed despite challenges.

He is currently studying in Class 7 and staying in a hostel in Darjeeling. Moving away from home has been an important step in his journey, helping him develop greater independence and responsibility while staying focused on his studies.

His journey from an enthusiastic Class 5 student to securing 2nd position in Class 6 is a testament to his perseverance, dedication, and commitment to education. His progress reflects the positive impact that consistent support and educational opportunities can have on a child's future.

Independent Auditor's Report

Report on the Financial Statements

I have audited the attached Balance Sheet of Sshrishti as at 31 March 2026, the Income and Expenditure Account, for the year ended on that date annexed thereto and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance and cash flows of the Trust in accordance with the Generally Accepted Accounting Principles in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Trust's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by managements, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion and to the best of my information and according to the explanations given to me, the Balance Sheet and Income and Expenditure Account read together with the notes thereon give a true and fair view in conformity with accounting principles generally accepted in India

- a) In the case of Balance Sheet, of the state of affairs of the Trust as at March 31, 2026 and
- b) In the case of Income and Expenditure Account, of the surplus of the Trust for the year ended on that date.

I further report that:

- a) I have obtained all the information and explanations which to the best of my knowledge and belief was necessary for the purpose of my audit.
- b) In my opinion proper books of account as required by law have been maintained by the Trust as far as appears from my examination of these books.
- c) The Balance sheet and Income and Expenditure Account dealt with by this report is in agreement with the books of accounts.
